\* There is no state or district funding for the items listed above. The Parent Club and teachers are collecting these funds in an effort to avoid asking parents to contribute multiple smaller amounts for items needed by each teacher throughout the year. This also applies to the staff gift fund.

\*\*We understand this may be financially difficult for some families. No child will ever be prevented from participating in school events or projects for financial reasons, including Birthday Books. If you would like to request a scholarship for your child, please complete and return this form to ensure your child's class gets the funds they need. Donated funds collected from families who are able to give more than the suggested amount will be given to your child's class, but only if you return this form. Scholarship requests are completely confidential and only viewed by the PC treasurer.
