PRINCIPAL MESSAGE

Dear Brookside Community,

A heartfelt thank you to everyone who attended the Bear Bash last weekend! It was wonderful to see so many families coming together. A special shoutout to Lilia Carney for spearheading the efforts that brought the event to life, and to DJ Stian for keeping the fun going! Thank you also to the many parent volunteers who worked hard to make it all happen.

Another big thank you to Brie Foehr and everyone involved in making our New Family Welcome Event on Wednesday so memorable! We appreciate your efforts in helping our new Bears feel at home in our community.

Spotlight:

Heritage months provide us with incredible opportunities to shine a light on the rich histories and contributions of different cultures, and this week we proudly celebrated Hispanic/Latino/a/x Heritage Month! During our Wednesday Wrap-Up Assembly, the Bear Den was filled with energy and excitement as our kindergarteners, along side music teacher Nicole Smith, performed the beautiful Spanish song "Tres Pajaritos" (Three Little Birds). It was a truly special moment, showcasing the power of music to bring us together and celebrate this special heritage month.

In community,
Amanda Wagner

We are only at 67% participation for class contributions, well below historical averages. Please contribute if you can! If we don't increase our participation, we won't be able to do some of the awesome things we have planned for the year. If you haven't done so yet, please donate your voluntary contribution today or let us know you would like a full or partial scholarship!
